Subject: Application for Full Stack Web Developer Position at ABC Corporation

Dear Hiring Manager,

I am writing to apply for the Full Stack Web Developer position at ABC Corporation, as listed on your careers page. With a strong foundation in HTML, CSS, JavaScript, and hands-on experience in React, Node.js, and MongoDB, I am eager to bring my skills to your innovative team.

I recently completed several full stack projects, including a task management app that improved team productivity by 35% and an e-commerce platform with secure payment integration. My ability to build responsive, scalable applications and collaborate effectively makes me a strong candidate for this role.

Thank you for considering my application. I have attached my resume and project portfolio for your review. I would appreciate the opportunity to discuss how I can contribute to ABC Corporation's goals.

Sincerely,
Shihab Uddin
